January 12
General Meeting

We begin the New Year knowing that our focus on improving the lives of women and families is especially timely. As noted in *Poverty Amidst Plenty*,* over 7,000 children in our community live in poverty. Limited public transportation imposes significant barriers to employment, food, housing and healthcare for the 8,000 families who live without a car. And older women are particularly vulnerable to dramatic shifts in cultural, social and economic issues related to aging. We will be taking a closer look at these and many other important issues this year. We will continue to reach out to those in need with 'hands on' activities. And at our Grants Showcase in June, we will celebrate reaching the \$300,000 mark in grants awarded during five years of making a difference in the lives of women and families!

Our incredible accomplishments are made possible by the generous and compassionate support of more than 150 women like you who have turned the ideal of collective philanthropy into reality. Together, we can and will do so much more! We invite you to participate in our upcoming grant review process. Connect with other members on a field trip or service project. Join thought leaders in our community to learn more about important issues at educational sessions and special interest forums. Get the big picture at our new Women & Global Issues event. Engage in lively discussions with our book group. And be sure to invite a friend to our Spring Open House!

With a salute to our upcoming educational session on transportation, don't forget to fasten your seatbelt for what promises to be a memorable ride in 2011!

Holiday Reception Recap

Over 50 members and guests attended a lovely end-of-year celebration on December 8 at the Edgewater home of Gloria Martin-Pressman. After completing the business of the meeting, President Lynne Davidson provided highlights of our impressive 2010 accomplishments, with particular appreciation for our growth to over 150 members. Bronwyn Belling, Vice President/President-Elect provided headlines for new initiatives in 2011. The 2010 Founders' Award was presented, founders, past presidents, steering committee members were recognized, and key volunteers were thanked. Special appreciation was given to outgoing President Lynne Davidson for the multiple talents, unlimited energy and extraordinary attention to detail that she demonstrated as our "fearless leader" in 2010.

→ AAWGT 2010 Founders' Award Recipient: Gloria Martin-Pressman

The AAWGT Founders Award recognizes a member who has demonstrated exemplary service "over and above the normal duties" by contributing significantly to our growth and structure, and raising awareness of/broadening our image. The 2010 recipient, announced on December 8, is **Gloria Martin-Pressman** whose multiple nominations applauded both her extraordinary mastery of leadership skills along with her "from the trenches" contributions, including serving as Past President, Membership Assistant Chair, leading our first strategic planning effort, creating our new membership buddy network, regular lunch maker, shameless membership promoter, and hostess par excellence. To quote one of the nominations, "AAWGT is fortunate to have Gloria as a member, leader and friend!"

→ 2011 Grant Reviewers Needed

The Grants Committee is seeking volunteers to serve as grant reviewers in the spring. Most of the work will be done during the months of March, April and May and may require a time commitment of 5 to 12 hours per month. Reviewers will work in teams led by experienced evaluators. All new reviewers must attend one of the training workshops to be held on January 8 and 13. Reviewers who served in the past but did not attend last year's training session are also urged to attend, since many of our procedures have changed. If you

are interested in reviewing grants, please contact Lynda Salamon at lyndasalamon@hotmail.com or at 410-626-7695. (If you already indicated an interest on the member survey and were contacted over the summer, you need not reapply).

General Meeting & Program:

Changing the Face of Aging: An Activist Approach

Location: Severna Park Community Center, 623 Baltimore-Annapolis Blvd., Severna Park

At this interactive session, we will learn about the larger social, cultural and economic issues that are forcing all of us to rethink 'aging' in our society. We will discuss what it means to take an activist approach. And we will explore ways that we - as grantmakers and as leaders in our community - can engage on issues related to aging and the quality of life for older women in Anne Arundel County.

For more information, contact Judy Coughlin at jcough32@comcast.net

March 9 7:00 - 8:30 p.m.

Women & Leadership Meeting

Program: Women & Global Issues

Location: Anne Arundel Medical Center, Health Sciences Pavilion

This special event will coincide with International Women's Month. Details will be forthcoming.

Grantee of the Month

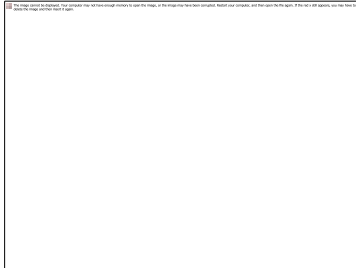

Food Link Inc. is a grassroots nonprofit that has been providing immediate assistance to families in our community since 1991. Over 11,000 families are helped by Food Link each month. Our AAWGT grant for 2010 supports their Wholesale

Produce Distribution Program that gets fresh produce into the hands of families who most need and can least afford fresh, nutritious food.

This spring, Food Link will celebrate its 20th anniversary with a

Spring BASH. Details of this major fundraising event are being finalized so be on the lookout for the opportunity to have a good time and support our grantee.

The Food Link is short staffed and can always use volunteers. There are many **volunteer opportunities** ranging from organizing food pantries to helping unload

fresh produce from trucks. If you would like more information about volunteering, please call Paula Gordon at 410-897-3941.

Business and Committee Updates

The Education & Programs Committee welcomes all members who would like to contribute their ideas and energy to develop discussion groups, educational sessions and other learning opportunities. AAWGT's new leadership begins its term on January 1st - see the sidebar for the list of Officers and committee leadership. Congratulations to all! We encourage members interested in participating on specific committees to contact the Chair or Assistant Chair for more information. Remember that you are

welcome to attend a committee meeting to get more info and determine your level of interest.
