"It was the best of times, it was the worst of times." With appreciation to Charles Dickens, we now find ourselves in similar circumstances, but can proudly say that we are contributing to the best of times. On May 12, 91 AAWGT members voted to award \$65,300 to eight non-profit organizations that are improving the quality of life for Anne Arundel County women and families. Our giving for the past four years now totals \$226,000 to 25 deserving grantees!

We wish we could do more: of the 39 proposals received, we could fund only 20% of the \$300,000 in requests. *The Capital* reports that reduced revenues for the City of Annapolis, Anne Arundel County, State and U.S. have caused four consecutive years of drastic cutbacks and have especially affected the nonprofit funding for a variety of social service, health and housing programs.

We're all in this together. So, as important members of our County's philanthropic community, please help share our vision with more friends and neighbors. In that way, we can grow the membership of AAWGT, raise more funds for our 2011 grant cycle and continue to support the vital work that the nonprofit sector is contributing to our community's wellbeing.

Please join us on Wednesday, June 9 from 7-9 pm at St. John's College for our Grants Showcase where you can meet our 2010 grant recipients and hear them share the highlights of their commendable proposals!

Lynne Davidson, President

→ AAWGT Membership Survey - It's Not Too Late!

In July of each year, AAWGT's Steering Committee convenes for our day-long annual retreat. The group of 21 Officers, Committee Chairs and Assistant Chairs takes the opportunity to look backward and forward, evaluating our successes and shortcomings from the past year, discussing lessons learned and thinking "outside the box" about what we hope to accomplish in the year ahead. An important piece of this is the membership survey we asked each of you to complete - if you haven't completed one, please email giving@givingtogether.org and we'll send you a copy. Thanks for your honest input and priceless feedback that will help us make AAWGT the best that it can be!

→ AAWGT Website: "Members Only" Member Directory is Launched

AAWGT members now have access, through our newly refreshed and enhanced website at www.givingtogether.org, to password-protected pages available to members only. This section of the website now provides confidential contact information for 2009-2010 members to be used only for AAWGT purposes. Please log on to view your listing and verify that your contact information is valid. We encourage you to upload a photograph of yourself as well to help us all recognize one another better. If you did not receive login instructions, send an email to giving@givingtogether.org with the subject Member Login and we'll share the specifics with you by email reply.

Thank you!

→ Meeting Recap - May 12 Grants Vote

Thanks to the Grants Committee and the Reviewers subcommittees for their hard work throughout the year that has successfully yielded \$65,300 in grants to 8 organizations serving women and families in Anne Arundel County. All in all we had more than 90 members participate in voting on the newest grantees and look forward to hearing about these organizations' programs at the June 9 Grants Showcase.

The Committee would also like to thank Martha Blaxall, who
