### Using the Application Software 2018 Grant Process

#### Section 1. Introduction to logging into AAWGT Grant Portal

- a. Go to [www.givingtogether.org](http://www.givingtogether.org): Follow the links beginning with **Grants**, then **How to Apply**, and finally **Grant Application Instructions**. Read the instructions and then choose the **AAWGT Grant Application Portal** link toward the bottom of the page. Upon entering the **Portal** you will find a **Logon Page** requesting an email and password.
- b. **Before proceeding please note:**
  - i. **Organization accounts:** Every organization that has previously applied for and/or received a grant from AAWGT after 2014 already has an account in the software system. An organization can have only ONE organizational account with AAWGT defined by its unique EIN number.
  - ii. **Application Preparer:** The user who begins the application process is designated as the **Application Preparer** and is the only user within the organization who can edit the application once it is started. Other registered users within the organization can look at the application but not edit the content. These instructions are for the Application Preparer.
- c. If your organization has an account do not make a new one. Go to Section 2. Log on Instructions for Previous Application Preparers
