AAWGT 2018 Grant Proposal Guidelines

Anne Arundel Women Giving Together (AAWGT)'s GRANT PROGRAM supports 501(c)(3) organizations that provide services to *improve the quality of life for women and families in Anne Arundel County*. AAWGT invites proposals from nonprofits for our 2018 grant cycle in three broad areas:

- ✓ *education*
- ✓ *health and welfare*
- ✓ *prevention of/treatment for violence and abuse*

GRANT AWARDS range from a minimum of \$5,000 to a maximum of \$20,000.

Guidelines -- cont'd

PROGRAM/PROJECT CRITERIA:

AAWGT gives priority to proposals that:

- ✓ Best meet the AAWGT mission
- ✓ Address an important need in the county without duplication of services
- ✓ Are financially viable and maximize the impact of AAWGT funds in the community
- ✓ Provide evidence of support from and/or experience working with the targeted population
- ✓ Engage in effective collaboration/partnerships to maximize impact
- ✓ Demonstrate strong organizational capacity
- ✓ Describe and deliver measurable outcomes

Guidelines -- cont'd

FREQUENCY OF APPLICATION: Current grantees may reapply for programs/projects currently funded but will only be considered if they demonstrate substantial progress toward success by the application due date. Funding for an organization will be limited to three consecutive grant cycles after which the organization would become ineligible for the following two grant cycles. Organizations may submit only one application during any grant cycle year.

LARGE ORGANIZATIONS: AAWGT considers grant applications from organizations of all sizes for the one-year grant. Only organizations with annual operating revenues of \$500,000 or less are eligible for the Momentum Grant. In order for larger organizations to be competitive for a potential 1-year grant, they should clearly articulate why the program/project has difficulty finding funding from other sources (business revenue and/or alternate funders).

Momentum Grant (Two-Year)

In 2018 for the first time, AAWGT is offering a single 2-year Momentum Grant as a pilot. This grant is for one year with an option to renew for a second year without re-applying. The funding is \$20,000 per year for two years.

The purpose is to allow an organization to expand upon the program/project of the single year grant. The Momentum Grant must have measurable outcomes in addition to those in the single-year grant. Second year funding is not guaranteed but dependent on progress toward the outcomes identified in the grant.

Momentum Grant -- cont'd

Guidelines for the Momentum Grant

1. Organizations with annual operating revenues of \$500,000 or less.
2. Organizations must apply for no more and no less than \$20,000 per year.
3. The Momentum Grant will be awarded to an organization that identifies additional or expanded outcomes for having the grant for two years rather than just one year.
4. If the Momentum Grant would give an organization four consecutive years of funding, the organization would not be eligible to apply. AAWGT policy allows three years of consecutive funding and a two-year break before re-applying.

Momentum Grant -- cont'd

5. An organization cannot receive a Momentum Grant and a one-year grant in the same year.
6. If an organization receives a Momentum Grant, it is not eligible to apply for a separate one-year grant the second year even if the second year the programs/projects are different.

PLEASE NOTE: All applicants are applying for a 1-year grant at a minimum but may choose to apply for the Momentum Grant by completing the full Application **plus** the additional questions in Section VIII.

ONE MOMENTUM GRANT WILL BE AWARDED.
